

Christmas Party Report

What a fantastic way to end a very successful year!!

79 members of the NSW Cobra Car Club family attended the Christmas Party at the Waterview Function Centre, Bi Centennial Park, Homebush.

We all enjoyed drinks & catching up with new & old friends on The Terrace overlooking the lake before entering the Lakeview Room where the festive decorations & Christmas music greeted us all.

A scrumptious buffet was enjoyed along with a delicious dessert table to tempt even the most dedicated health fanatic.

Thanks to Kerry a trivia quiz was designed to sort out the clever folk, but it was amazing the length some members went to in order to find out the correct answers!! Congratulation to Table 6, who kindly shared the spoils of victory (a humongous bag of fantails) with all present, it was a lot of fun.

Many thanks to everyone for bringing a gift or a donation for the kids at Ronald McDonald House, these are being delivered this week

Our president Phil thanked the past committees (NSW & National) for their hard work & expressed his desire for the new committee to build on the platform set by the previous members.

A BIG THANKYOU to ALL for supporting the committee in making the Christmas Party 2008 a huge success.

Best Wishes for Christmas & and to all a safe & Happy New Year

Ray & Kay Lindsell
