

Cobra Run 3rd May

At the last minute we had to change the venue due to a large mountain bike event being held at St Albans, thanks to Rosemary for the information. What a beautiful autumn day for our run, with 12 Cobras, 1 GT 40 & 1 Monaro participating.

A special welcome to our new family member Kim & Julie Down, their son Maddison & daughter Alicia.

The BIG event of the day was Bruce & Lyn Stump's in their new Cobra on its virgin run. Congratulations it looks fantastic!

We took a leisurely drive through Maroota, Pitt Town, Windsor, Richmond and had lunch at the Kurrajong Heights Hotel, overlooking the Sydney Basin. Our president met us there for lunch. Don't know you fit everything in Phil, Thanks!

I don't think many of us would need to have dinner that night after the large servings we received.

Everyone made their own way home after another friendly & most enjoyable outing with a great bunch of Cobra people.

Thanks for supporting the run
Ray & Kay
